

Calling All Leisure Painters!

Outdoor Painting Day

On **Sunday 5th July 2009** there is to be a Locks Festival Day with lots of activities along the canal and in the Memorial Park at Marple.

Artists - come and have a great day out recording the fun!

All artists, from beginners to professionals, are invited to come and paint anywhere beside the canal route on that day. Children's work will be particularly welcome and there will be free painting activities for children in the Society of Marple Artists' marquee.

A map and events leaflet will be available on the day.

This Pro Loco (for the place) is not a competition but an opportunity for artists of all ages and abilities to come together, meet with the community and enjoy the fun of the day.

HOW TO ENTER

Check into the SMA marquee in the Memorial Park between 9am and 10am. Please bring the completed entry form, together with 50p entry fee per painting. Your blank paper, canvas or other support will be officially stamped. This stamp must be shown on your finished painting when you return to the tent at 3pm and will entitle your painting to be shown.

When your painting has been checked it can be placed in a frame or displayed in a mount. All sales must be negotiated between the artist and purchaser after 3pm. Paintings will be displayed in the open air or marquee from 3pm until 5pm. Please be available to collect them. No commission will be charged on any sales.

If you enter the Pro Loco you may also bring along another painting of the canal vicinity to be displayed in the marquee during the day and at the organisers' discretion. This should be clearly labelled with your name and details on the back and title and price on the front. The marquee will be manned all day to facilitate sales.

There is no charge for young people aged 16 years and under but an entry form should be completed.

The organisers cannot accept responsibility for any loss or damage to artists' work at this event.
